Did You Know... GCS Initiatives

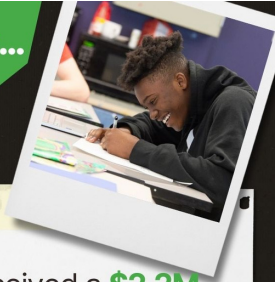

Did You Know...

GCS is piloting **school-based telehealth (SBT)** at 4 elementary schools this year, with plans to expand to 51 elementary schools over the next 4 years.

Did You Know...

GCS recently received a **\$2.2M** grant to **expand learning hubs** in district **middle schools**. Learning hubs offer tutoring, mental health support, materials & meals.

Did You Know...

GCS was awarded a **\$15M federal grant** to expand mental health services for staff & students & hire 16 full-time mental health clinicians over the next 5 years.

Did You Know...

In Dr. Oakley's first 100 days, over **2K people** participated in a **Better Together** community session, town hall, meeting or roundtable.

Did You Know...

GCS secured a **\$400K grant** to develop an **Economics & Personal Finance course** - a state-wide graduation requirement starting with the Class of 2024.
