

Did You Know... Claxton Elementary

Did You Know...

The new Claxton Elementary School boasts a state of the art gymnasium, a feature the school didn't have previously.

Did You Know...

Kevin Thoma, Claxton Elementary principal, is a GCS alumnus turned GCS leader.

When he reflects on the structural issues at the old Claxton, Thoma says, "There were regular calls to come out to fix our HVAC. Leaking roofs? Many times, we had buckets through the halls. We had to move this class of students over here, so something can get fixed over there."
